

Sapari is a feminist women's organization, which has been at the forefront of the fight for women's rights in Georgia for more than 20 years

▶ Legal Aid

▶ Advocacy and lobbying

▶ Public Education

We have a qualified and gender-sensitive team of lawyers all over the country. We provide legal aid and court representation free of charge to women and children who are victims of violence in national as well as international courts.

Sapari prepares and advocates for legislative propositions and policy documents substantiated by research and evidence. We actively work with relevant state institutions to introduce and implement international human rights standards in Georgia.

We regularly carry out targeted and large-scale information campaigns to transform public attitude to gender equality and increase gender awareness and sensitivity. We also share knowledge through a range of formal and non-formal education activities.

WE ACTIVELY COOPERATE WITH REGIONAL CIVIL SOCIETY ORGANIZATIONS AND COMMUNITY CENTERS FROM ACROSS GEORGIA, WITH TRADITIONAL AND WEB-BASED MEDIA, LOCAL MUNICIPALITIES AND STATE INSTITUTIONS. IN ADDITION TO SAPARI PAGES ON SOCIAL MEDIA PLATFORMS: FACEBOOK, INSTAGRAM AND TIKTOK, WE ALSO OPERATE:

Bilingual Georgian-Armenian platform

“QANQ/BAJEDI”

for bloggers from ethnic Armenian communities of Georgia

Bilingual Georgian-Azerbaijani platform

“PANCARA/QANQARA”
